**DETAILED ACTION**

***Response to Amendment***

1. The amendment filed on 01/24/05 has been entered.

***Allowable Subject Matter***

2. Claims 1, 3-13, and 15-24 are allowed.
3. The following is an examiner's statement of reasons for allowance:

For claims 10-13, and 15-24, see prosecution history.

For claims 1, 3-9, the prior art does not show the claimed combination, as applicable to the independent claims and dependent claims including a side plate connected to a hitch base, a pin rigidly connected to the side plate, and a clamp member engaged with the side plate and clampingly engageable with the frame member to secure the hitch base to the frame member with the pin member positioned in a preformed aperture of the frame member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Colibert teaches a concealed frame mounted hitch assembly.
